Mr. Stebbins,

Attached you will find a copy of a document drafted in Microsoft Word. It is the report prepared by Leslie Johnson.

I am placing it on a thumb drive, per the Court's Order, and am mailing it out to you today. What I have noticed, however, when I save it onto the thumb drive, is that it changes the last modified date to today's date.

I do not know how else to get it to you with the original information on it other than to email it to you.

I am also filing a notice with the Court regarding this issue.

NAME: David Stebbins

SEX: Male

COUNSELOR: Amy Jones

DATE OF BIRTH: 12-29-88

DATE OF REVIEW: 12-15-15

REASON FOR REVIEW: to assist in determining feasibility of VR services/training

EVALUATION PROCEDURES

Review of mental health treatment records from St. Bernard's Healthcare dated April 24-30, 2-15

RECORDS REVIEW

Records from St. Bernard's indicated Mr. Stebbins had been transferred to their facility from Northwest Arkansas Regional Medical Center after a suicide attempt. The client received inpatient treatment at St. Bernards from April 24 through April 30. Discharge diagnoses were reported as follows:

Major Depressive Disorder, recurrent, severe

Asperger's' Disorder

Delusional Disorder NOS

Cluster B personality disorder traits (narcissistic and antisocial)

Mr. Stebbins indicated he attempted suicide by drinking bleach after he sued his father and lost. Records indicated he was arrested in 2011 for assaulting his father. Records also indicated he was kicked out of the U of A for making threatening statements. The client reported frustration, anger and depression over his situation. He denied homicidal ideation, but continued to report death wishes if he could 'die without pain'. Treatment records indicated Mr. Stebbins was impulsive, lacked insight, paranoid, irritable and agitated.

Treatment records indicated Mr. Stebbins feels he is chronically targeted by the government and law enforcement because he 'has the brains to be a leader and change things'. He acknowledged perseverative thoughts regarding this issue. A search of public records revealed multiple lawsuits filed by Mr. Stebbins against his parents, Wal-Mart, the U of A, and federal judges. Causes of action were mainly civil rights and discrimination.

At discharge, Mr. Stebbins denied suicidal or homicidal ideation. Safety planning was done and he was discharged home. He has indicated to Amy Jones that he is not currently in treatment for his mental health issues.

DIFFICULTY CHANGING BEHAVIOR TO MEET REQUIREMENTS
EMOTIONAL INTENSITY MAY INTERFERE WITH TASK PERFORMANCE

CONCLUSIONS AND RECOMMENDATIONS

Documentation available, which indicated a history of physical aggression and threatening statements, suggests that Mr. Stebbins is not currently appropriate for vocational rehabilitation services.

A referral to a local mental healthcare provider is strongly recommended. Mr. Stebbins would likely benefit from treatment and the support of a therapeutic relationship. Efforts to work with Mr. Stebbins should be coordinated with his treatment providers. His vocational success will depend on him stabilizing and effectively managing his psychiatric issues.

In order for Mr. Stebbins to be appropriate for ARS services he should be able to demonstrate a period of stable functioning. He will also need to provide documentation from his mental healthcare providers that his symptoms are well-managed and they agree he is ready for training, school or work.
